Is it time for a timing belt change?

Ask about our great deals on timing belt kits.*

To help your Volkswagen remain reliable, it's important the timing belt is changed at the correct intervals. If left un-checked, a broken belt can cause serious damage to your Volkswagen's engine. The good news is that your local Volkswagen Service dealer is able to help. By only fitting Volkswagen Original Parts, our Volkswagen-trained technicians, who understand your Volkswagen inside-out, will ensure your repair is carried out with the least amount of fuss – saving you both time and money. And what's more, for added peace-of-mind, all Volkswagen Original Parts fitted at an authorised Volkswagen Service dealer, include a two-year parts and labour warranty. Why take the risk? Contact our Service Reception today.

*Timing belt kits include a toothed timing belt and all required tensioners, pulleys and fasteners.
